The meeting of the Chinese and European prime movers of the China-Europa Forum July 22 - 24, 2009 Paris

Press briefing at 12.00 on 24th July 2009

Venue: Maison Internationale, Cité Internationale Universitaire de Paris
17, boulevard Jourdan 75014 Paris, France
Subway (RER B)/ tramway (T3) : Cité Universitaire

The third biennial meeting of the China-Europa Forum involving more than 1 000 European and Chinese players initially scheduled for July 2009 have been postponed in July 2010 with mutual agreement of the organizers in China and Europe facing the risk of pandemic influenza A (H1N1).

To enable a better understanding within each workshop, deepening the working methods and implementing an action plan for the period July 2009 - July 2010, we will organize, from 22 to 24 July, at the Cité Internationale Universitaire of Paris, a meeting around the workshops which will gather together between 200 and 250 prime movers from China and Europe.

At the end of the meeting on July 24, a press briefing will be held at 12.00 in the Espace Adenauer of the International House, in order to discuss the results of these two days of dialogue and present the next steps of the Forum. The Media wishing to attend all meetings and the Press briefing would be welcome.

For information, the meeting will be organized in four half days representing four working sessions:

- **July 22 afternoon** : exchanges and discussions in the workshops;
- **July 23 in the morning**: reflections within the major groups of workshops and simulation of the plenary of July 2010;
- **July 23 afternoon**: sitting around the tools and methods;
- **July 24 in the morning**: setting up an action plan for the next steps.

A cocktail will be organized in the halls of the Academy of Moral and Political Sciences at the Institut de France on 23 July evening from 19.00 to 21.00 pm. Thank you for registering in advance.

The meeting of the Chinese and European prime movers is an extension of the three European meetings of the Fall 2008 and of the two Chinese meetings held this Spring 2009. In both cases, these meetings have been critical to transform the Forum into a collective adventure. The fact that the Chinese and the European prime movers will meet represents a new decisive step in the transformation of the Forum into a collective dynamic built in the long term.
